

Mental arithmetic

A

Colour the chicks according to the numbers they represent. Mind the symbols + and -

B

Calculate $8 - 2$
Draw as Dédé does.

Imagine what Dédé can see.
If you aren't sure, draw on your slate or on your rough book.

$8 - 2 = \dots\dots$

$6 - 2 = \dots\dots$ $9 - 1 = \dots\dots$

$8 - 3 = \dots\dots$ $7 - 1 = \dots\dots$

$10 - 2 = \dots\dots$ $9 - 2 = \dots\dots$

C

Write down the first 5 doubles.

$1 + 1 = 2$

.....

.....

D

Complete the file number. You can use the file number on page 33.

E
